...THIS SUMMER

With something for everyone at our OCF conference centers, come spend time with us this summer at Spring Canyon or White Sulphur Springs—it's an investment you'll never regret! Whether you find yourself among the majestic Rocky Mountains or beautiful Alleghenies, what you will experience at both conference centers is outstanding ministry and optimum fun to recharge you from your high ops tempo lifestyle.

Time spent in God's wondrous creation, fellowshiping with other Christians who share and understand your military lifestyle, will create memories and friendships lasting a lifetime. During my time on active duty, our best times as a family were spent at White Sulphur Springs. We got to fully experience a microcosm of OCF—singles, retirees, senior and junior officers, enlisted, and families! They were all military and spoke the same language we did, enduring similar hardships and pursuing similar goals!

This year we want to see all the wonderful ministry taking place at the conference centers through your eyes. We'll be taking a lot of pictures too, but come on out and share your summer experiences on your favorite social media.

Engage with friends and family by posting your photos on Facebook, Twitter or Instagram—hiking, rafting, sitting around the campfire, enjoying meals with new friends, horseback riding, praise and worship, fun talent show songs and skits, seeing new sights, sharing new insights from the Lord!

Talk it over with family, colleagues, friends, and your OCF small group. Leaders will gain new insights, families will reconnect, and all will have a fresh encounter with Christ. An amazing summer experience of fun, spiritual renewal, and physical refreshment lies ahead. Don't miss what God has in store for you!

Seeing OCF through your eyes

If you're like most people today, you have a social media account on Instagram, Twitter, Facebook, and more. This makes sharing your photos and your experience at one of our Camps easier than ever. Here's a simple, 3-step process for sharing your photos with everyone.

1. Take lots of photos of your time at either Spring Canyon or White Sulphur Springs.
2. Upload your photos to Instagram (Twitter and Facebook are fine, too, but photos on Instagram will be easier to follow).
- ★ 3. Here's the important part: Be sure to tag your photos with the correct hashtags. We prefer #ocfsummerfun or any of the tags you may see throughout this brochure.

Summer Family Camps

Summer Family Camp is the heartbeat of White Sulphur Springs' ministry from June through August. Active duty families, singles, retired military, and non-military families enjoy fellowship together. Adults enjoy topic-led discussions during the morning and evening sessions, while youth from nursery age to high school attend biblically geared programs appropriate for their age group. Afternoons are unscheduled to allow families and friends time to hike, fish, swim, explore, bowl, canoe, play volleyball, rock in a rocking chair, read, catch up with friends, or play a game of organized field sports.

Allegheny Outback! is a program designed to challenge high school students spiritually, physically, and mentally as they engage in various activities such as: low and high ropes courses, whitewater canoeing, climbing, rappelling, whitewater rafting, backpacking, and more. All trips are led by trained staff who have a desire to teach students about the Lord and share their faith. This summer we are going to explore and examine the life we are called to live in Christ. It will be a time to contemplate, relate to others, and to act upon what we discover as we explore biblical hope in an era that often prefers to embrace empty promises and despair. Consider joining AO! this summer as we backpack, paddle, climb, and discuss "What is Peace?" Words can turn into shallow cultural niceties. We will explore the difference between peace the world offers and the peace Jesus gives.

Summer Celebration!—time to relax, reflect, and renew your relationship with Jesus Christ. You'll enjoy community and adventure whether you come on your own, with friends, or bring family. Godly, life-tested speakers facilitate biblical discussions. Children and teen programs teach Bible lessons to strengthen their relationship with Jesus. In addition, children ages 3-12 enjoy hiking, archery, fishing, and kayaking. Teens learn about teamwork as leaders guide them through ropes courses and camping, while emphasizing biblical principles. We also offer plenty of free time each afternoon and all day Wednesday for fellowship and adventure. Our special adventure packages offer horseback riding, ATVing, whitewater rafting, fly fishing, and hot springs.

ROCKY MOUNTAIN HIGH

visit us at rmhbv.org or call 888.663.1417

Adventure awaits you in the Collegiate Peaks of the Rocky Mountains this summer! RMH is a unique program designed primarily for cadets, midshipmen, and junior officers, and is also open to all college students and recent grads who desire to grow in their Christian faith and learn more about leadership. This wilderness leadership program focuses on the life and teachings of Jesus Christ through adventure-based learning and fellowship. You will deepen your spiritual journey, expand your physical and mental strengths, and experience genuine adventure in the American West. During your RMH adventures you will ascend a 14,000-foot peak on a four-day backpacking trek. You'll also enjoy the challenge of whitewater rafting, rock climbing, and rappelling.
