Vacation with a Purpose

The only thing more exciting than being on summer vacation is planning it and thinking of all the possibilities. Whether you dream about walking in the shadows of the majestic Rocky Mountains or beautiful Alleghenies, what you will experience at both OCF conference centers is God-breathed ministry and belly-laughing fun to recharge you from every-day cares and military life. From hiking, horseback riding and rafting to enjoying meals with friends and S'mores around the campfire with worship and song, you are sure to be encouraged.

Engaging and truly connecting with others who share and understand your military lifestyle will create memories and friendships that last a lifetime. Talk it over with your family, friends, colleagues and your OCF group. Friends and families will reconnect, leaders will gain new insight and all who desire it will have a fresh encounter with the Lord.

Bike Program

whitesulphursprings.org/bike-program

Adventure on the open road

“Going the Distance” is a new and challenging 350-mile bicycle tour program, featuring a ride from WSS to Niagara Falls. Offered twice this summer, the ride is open to ages 16 and older. These rides are ideal for company grade officers seeking a challenge and some high adventure in a Christian environment. They can also be just right for parent/mature teen pairs or couples that enjoy being active together. Experienced bicycle touring guides with decades of military and small group facilitation lead the rides, which are fully supported with the first and last night at WSS, 5 nights camping on the road, three meals daily, and key times during the trek for discussion, prayer, and fellowship.

Cost: \$800 per person, covering 100% of all expenses; bicycles rent for an additional \$200 // **When:** 20-27 June and 18-25 July // **What:** 350-mile bike trek starts at White Sulphur Springs and ends at Niagara Falls.

Cost: \$75 // **When:** Offered from 2-4 p.m. on 21-23 June (during Summer R&R #2) and 19-21 July (during Summer R&R #6) // **Note:** Kids must be part of a family that is attending Summer R&R that week.

Allegheny Outback!

whitesulphursprings.org/allegheny-outback
814.623.5583 | office@whitesulphursprings.org

What is Allegheny Outback?

The AO! mission statement is “To challenge teenagers to develop their very own personal knowledge of God by modeling Christ in real life situations, and by facilitating an environment in which they must exhibit personal responsibility, work with others, and rely on God.” AO! is our six-day high school adventure program for rising 9th graders to just-graduated high school students. The group size is around 10-12 teenage guys and girls, two college counselors, and an adult counselor (usually a retired or active duty officer), which gives us about a 4:1 camper to counselor ratio. We hire spiritually mature counselors, and require them to go through our two-week training program.

We live in a busy world. Between school, sports, scraping together a social life, spending time with the family, taking care of homework, attending youth group, trying to get a good night’s sleep in—we have a lot of demands on our time. While those demands may be important, they often compound and we can easily find ourselves too busy reacting to pause and examine who we are called to be in light of the Gospel of Jesus. Throughout the week, AO! enjoys such activities as high and low ropes course, backpacking, white water canoeing, rapelling, and climbing.

The program uses activities to teach teamwork, responsibility, and most importantly reliance on Christ through a consistent, lasting personal relationship. The spiritual part of the program includes a 45-minute quiet time in the morning during which high-schoolers work through a booklet we provide. During the day, activities are often introduced with a spiritual emphasis and at night, our staff leads praise and worship around the campfire, followed by a spiritually focused discussion of the day’s activities.

Summer 2015 Topic // This summer Allegheny Outback invites you to join us as we play in the outdoors, fellowship with friends, and explore the question: How then shall we live?

Junior Allegheny Outback!

whitesulphursprings.org/junior-ao

What is Junior Allegheny Outback?

Junior AO! is a time for one parent and one child (ages 8-12 only) to enjoy God's beautiful creation and build great memories with one another. Junior AO! is a little rougher than being at home, but only a little. We sleep in screened-in bunk cabins and use portable toilets. There are outdoor sinks but indoor showers (hot water in non-heated stalls). We offer two distinct Parent-Youth Adventure weekends.

Session Information & Dates	Rates

Canoe Adventure Weekend: Two nights at AO! village and a canoe day-trip down the Juniata River /// 24-26 Apr	\$140
Rappel Adventure Weekend: Two nights at AO! village, along with outdoor parent-child challenges including hiking, rappelling, and more /// 17-19 Apr and 2-4 Oct	\$140

What is Camp Caleb?

Camp Caleb's mission is "to bring military youth into an authentic personal relationship with Jesus Christ, to strengthen their own family and peer relationships, and to prepare them for standing for Jesus Christ as teenagers." We accomplish this through Christ-centered teaching times, experiential learning, counselor-child relationships, and peer sharing/encouragement. Throughout the week, Camp Caleb enjoys such activities as horseback riding, theme-related crafts, indoor climbing wall, swimming, riflery/archery, canoeing, ropes course, and a trail ride. The program uses activities to teach teamwork, responsibility, and most importantly reliance on Christ through a consistent, lasting personal relationship.

NEW to Camp Caleb in 2015!

We are adding a new event in Camp Caleb this year—a special activity day. Campers will have the opportunity to choose a favorite activity and spend the day doing that activity: horses, archery/riflery and climbing wall/zipline.
