# MIDWEST ROTC RETREAT

*17-19 February 2023  
Riverside Bible Camp  
Story City, IA*

## WHAT CADETS & MIDS ENJOYED

"The smaller seminars were impactful, extra time to do whatever we wanted during the Saturday afternoon free time, getting the chance to meet Cadets from all over the Midwest."

"I really enjoyed the various speakers and perspectives that I was able to hear. I also really enjoyed the extra activities they had such as horseback riding and trap shooting."

I enjoyed the community and Christ centered idea of a get-away compared to spending the weekend doing things for myself. it was fun to connect with others and God at the same time."

"[I enjoyed] getting the chance to hear from people who have gone through a career in the military with real faith that can share with us what it is like."
